### ***Herbaceous Borders for every season***

**Girls About Snape** welcomes you to an OPEN meeting with our ever-popular garden specialist Luci Skinner. This time Luci will be helping us to learn about a whole range of herbaceous perennials and how to create a successful herbaceous border - focussing on planting for seasonality, colour, form and structure. As well as a discussion on care and maintenance including pruning, cutting back, feeding etc. this talk also contains a section on sustainability in the garden and control of pests/weeds without chemicals.

**Refreshments & plants sale will round off the evening.**

**GUESTS £7.00**

**St Elizabeth Hospice - is our supported Charity for 2025/6**
